Dear Parents and Families,

Thank you to all of you that came for parent-teacher conferences last week. Be sure to keep involved in the progress of your child and note that in middle school that the first progress reports of the third trimester will be sent home this Wednesday. If you were not able to attend parent teacher conferences, remaining report cards will be sent home in the mail this week. Each day try to ask your child what they learned today, having them show you their work or even teaching you how to do it. If your child can teach it to you they certainly understand it themselves!

As you may have discussed with your child's teacher last week, there are lots of options for your child to be continuing learning using a computer at home or even the library. Students have the same access to the programs they use at school as they do at home with the same usernames and passwords. Your child can explore Dreambox, RAZkids, Google Classroom, Khan Academy, and more, all from the R-net homepage: www.ravenswoodschools.net

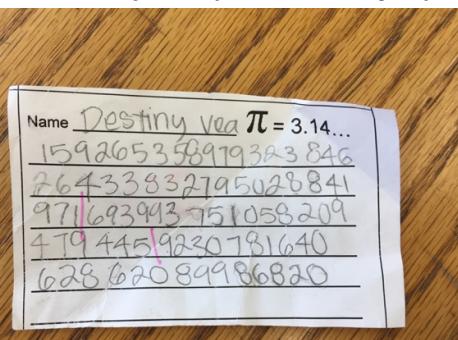

Additionally, thank you to the families that attended the immigration meeting last Friday. The safety and security of your child is our biggest priority. We are working to ensure that all schools in Ravenswood City School Districts are not only places of immense learning but also places where the students are motivated and where they are excited to come to school each day. Contact the office with any questions with any questions if you were unable to attend the meeting or for any other reasons/questions you may have.

Upcoming Dates to remember:

- 3/31: No School (Cesar Chavez Day)
- 5/1-5/5: CAASPP Testing for 3rd-5th Grades
- 5/8-5/13: CAASPP Testing for 6th-8th Grades

Sincerely, Vice Principal, Mr. Whitebread
