		1:10 Dismissal Minimum Day		

Dear Parents and Families,

Hopefully you all had a restful Spring Break and we look forward to all students coming back reenergized and ready to get to work this week. Ensure your child is arriving by 8:25 each day so that they are not missing out on any instruction as we start the day. Also, if your child does need to be absent be sure to notify the office and ensure that your child is collecting and completing all make-up work upon their return.

Families of 6th graders, application went home for the EPASA program before break with your child. EPASA is a wonderful summer program and also sets them up with tutoring and community service opportunities throughout the school year as well. The application does have an essay portion and also requires a teacher recommendation. Be sure to check-in with your child about this program and if it will be the right fit for them.

Families of 8th graders, promotion is fast approaching! Check-in with your child about their progress on all graduation requirements and especially the 2.0 average GPA and 15 service hours. The teachers have made themselves available before school and during lunch to support your child if they need additional support!

Also, thank you to all families who attended the summer school meetings. If you need additional information on summer programs please come to the office or grab information available outside the office in the hallway.

Upcoming Dates to remember:

- 4/26: VAPA Showcase 6th-8th Grade
- 5/2-5/5: CAASPP Testing (Math)
- 5/8-5/13: CAASPP Testing (ELA)
- 5/15: CAASPP Test (Science- 5th and 8th only)

Sincerely, Vice Principal, Mr. Whitebread
