Dear Parents and Families,

In this last week before our week for Spring Break we want to highlight the dedication of the CCGOA Community. We appreciate all the hard work put in by student, staff, and you the families and look forward to celebrating the students of the month from each class this Monday. Please be sure to encourage you child to talk about what they are learning each day when they come home and to check in with their teachers about progress and how to best challenge them at home.

As we prepare for the CAASPP testing at the start of May, it is so crucial that all students are using evidence to explain how they are getting their answers in ELA, math, and all subject areas. Ask you child how they solved a problem as they are doing their homework as well more comprehensive questions when they are reading. What new words did you learn from this story? What is the moral/larger message? We want to encourage deeper thinking beyond just the classroom.

With next week as Spring Break, be sure your child is keeping up on any assignments or projects they need to catch up on or complete over break. The end of the year is coming so quickly and we want to ensure students are all successful. Also, learn more about summer opportunities at this Tuesday’s SSC/ELAC Meeting.

Upcoming Dates to remember:

- 4/4: SSC/ELAC Meeting after school in the library
- 4/10-4/14: No School (Spring Break)
- 5/2-5/5: CAASPP Testing (Math)
- 5/8-5/13: CAASPP Testing (ELA)

Sincerely, Vice Principal, Mr. Whitebread
