Dear Parents and Families,

Thank you to the parents who have turned in their Mid Year Survey. So far, the number of returned surveys is almost 3 times more than the number of responses we got last year. This is great! Our goal is to get as much feedback as possible to ensure that we maintain programs and activities that you find enjoyable and valuable for your child’s education. We are always accepting surveys, so have your child return them to his or her teacher.

*We will have our **La Posada Celebration on Thursday December 15th in the Gym.** There will be live music, dancing, performances by our elementary students and middle school Band and Orchestra students, and lots of delicious home cooked foods. If you would like to volunteer for La Posada with putting up decorations, making a delicious dish, or helping students practice their dance numbers, please contact Ms. Nancy Alvarez and Ms. Imelda Jovel, our parent liaison coordinators. You can let the front office know that you are interested, and we will connect you with Ms. Nancy and Ms. Imelda. Both Ms. Nancy and Ms. Imelda are also working with parents on building a Parent Garden by Room 1. Seeds were planted last week, and we are hopeful that the fruits and vegetables will show themselves by the end of the school year. You can come by campus any time to water and take care of the garden!*

Wishing a wonderful week. Be sure to send your children to school with a jacket or sweater so they can stay bundled and warm—Sincerely, Principal Bui ☺
