Dear Parents and Families,

As we move deeper into the 3rd Trimester, ensure that your child has activities for over the summer. If your child is enrolled in summer school programs through the Ravenswood City School District you should have received a call about the orientation and please call the office if you have not gotten one already. Orientations are happening this week which you need to attend. There are also programs available through the Boys and Girls Club, the library, and the Compass program for all graduating 8th graders. Please be sure to plan ahead to maximize their summer engagement and learning.

Additionally, as the weather improves more and more students are arriving by walking or biking. If your child is biking please be sure that they bring a lock to lock it to the fence and that no matter how they arrive that they arrive on time. School starts at 8:25 each day, students should be arriving between 8:00 and 8:20 to ensure that they are getting to class on time and not missing instruction.

Lastly, in two weeks we are having Spring break and there will not be school. Help your child to stay on top of their studies and remind them to be completing any work they need to make up or are assigned over Spring Break.

Looking forward to our 3rd trimester and all the great promotion activities/celebrations.

Upcoming Dates to remember:
4/2: SSC/ELAC Meeting after school in the library
3/31: No School (Cesar Chavez Day)
4/10-4/14: No School (Spring Break)
5/1-5/5: CAASPP Testing
5/8-5/13: CAASPP Testing for

Sincerely, Vice Principal, Mr. Whitebread
